THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2018-256-S - Application of Carolina Water Service, Incorporated for Approval of a Satellite Sewer System Agreement with the City of Columbia - Staff Presents for Commission Consideration Carolina Water Service, Incorporated's Application for Approval of a Satellite Sewer System Agreement with the City of Columbia.

COMMISSION ACTION:

We received a response to this filing yesterday afternoon from ORS and, in the letter, they were talking about a couple of conditions that they would like to see met for the Commission to approve Carolina Water's request here. The conditions, one of them, to me, looks like it's pretty clearly related to Friarsgate, and the other may be more general. But I think we need to allow Carolina Water the opportunity to respond to ORS's request, and I'm going to move that we carry it over. I would encourage the parties to see if they can agree to what those conditions are, in the interim, but I move that we carry it over.
